Why have a Flexible Payment Plan

Looking your best just got easier!
Set up a payment plan that allows you to spread the cost of your dental treatment with easy monthly payments.

Easy, Quick & Straightforward to arrange!

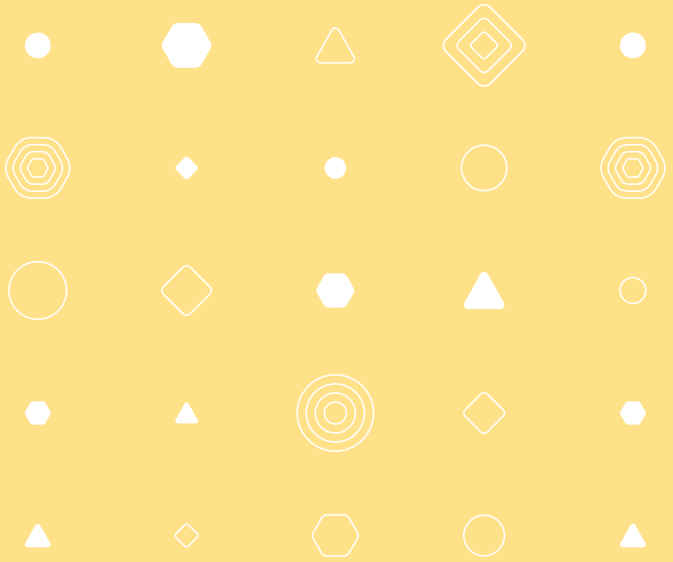

How to set it up

- 1) You agree a treatment plan with your dentist and decide if it's an ongoing or a fixed-term plan. All your payments are conveniently collected by direct debit
 - With the fixed-term plan you and your dentist agree the total number of payments to be made for the treatment and the monthly amount
 - With an ongoing plan you and your dentist agree the monthly amount. Your plan will continue until it is cancelled
- 2) You and your dentist can choose to agree an initial payment amount (this can be any amount and or you may decide not to have one at all)
- 3) Your dentist will give you a print out of the Terms and Conditions
- 4) Complete the short online application with your dentist – this will be sent to Simplyhealth Professionals
- 5) As soon as the form has been sent you will receive a confirmation email from Simplyhealth Professionals (the terms and conditions will be included).
- 6) Payments are collected from you on the 1st of each month.
- 7) If you would like another plan all you need to do is to complete a new application.

The Flexible Payment Plan is available for all our private services:
